

ABOUT US

At *ROOF WIZ*, our core competency is roofing and do not deviate from what we are experts in. We are a Minority Owned Business and our experience in the roofing industry has led our organization to be considered a leading roofing contractor in the Midwest. We specialize in asphalt shingle and low-slope (EPDM & TPO) commercial and residential roof replacements/installations. We believe that your roof is one of the most important parts of your home or business. It protects you, your family, customers and the rest of the building from the elements. Our processes, quality, expertise and experience will speak for itself!

No one cares more about your roof than the experts at *ROOF WIZ*. Our laser focus on our customers' satisfaction and building long-lasting business relationships, is what sets us apart in the roofing industry. Not all roofing projects are the same, so we treat each and every roofing project with the most care and attention to detail in order to make sure we capture the project's unique attributes and requirements. What remains consistent is our commitment to timeliness, communication, industry standards, diligence and quality.

OUR MISSION IS SIMPLE: GIVING EVERYONE A GREAT ROOFING EXPERIENCE, FROM START TO FINISH! You don't have to search far and wide to find a roofing contractor with the skills and experience needed to keep your roof safe, secure and on budget. Our customers choose us for their roofing needs because we provide outstanding customer service, value our customers needs and expectations, and will always go above and beyond for them.

WHY CHOOSE US?

- We Put People First:** We are dedicated to creating collaborative relationships that empower people within our organization to reach their full potential.
- We Make Everyday Safer:** We have an unwavering commitment to safety because a safe team is a successful team.
- We Do The Right Thing:** Everyday, we have a choice to do it the easy way or the right way - we always choose to do it the right way (every time).
- We Own Our Day:** We take pride in a job well done and are always willing to roll up our sleeves and put in the extra effort to overcome obstacles and get things done with positive results.
- Never Stop Building:** We wake up everyday motivated to be a little better today than we were yesterday
